**Subject:** Deliverable: DRAFT\_Enclosure 1 for Chemical Manufacturing Section 114

Hi Andrew,

I have posted on Sharepoint a draft of Enclosure 1 for the CMATTR CAA Section 114 (see "DRAFT\_Enclosure 1 for Chemical Manufacturing Section 114.docx"). This file has NOT been formatted nor has it been internally QA'd. This draft includes instructions for Component I (survey questions) as well as Component II (testing and sampling). After our call this past Wednesday, you requested that I create a "shell" for Component II, but it turns out that I was able to do more than just a "shell" using the Lanxess files as a starting point.

Looking forward to hearing from you on this!

Let me know if you have any questions.

Thanks,
